

## Communication to Industry

March 10, 2021

### SAHPRA survey to determine company turnover

Dear Industry Member

SAHPRA will be embarking on a survey to determine the latest annual company turnover of licence holders to understand the impact of inspection fees on the licence holders within local industry.

A sample of the current licence holders (Manufacturer, Laboratory, Wholesaler, Importer, Exporter, Cultivator) will be taken. As not all licence holders declare annual company turnover publicly, these companies will be contacted and requested to provide latest turnover.

Deon Poovan, Senior Manager of Inspectorate and Regulatory Compliance, will be copied in all requests and the requested information should be provided to him.

Contact Details for Deon Poovan:
