

## Process Flow of Importation of Medical Products published

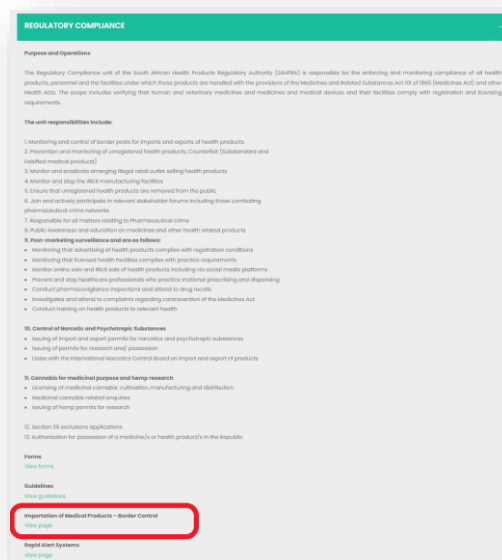

### To All Stakeholders

The [Regulatory Compliance Unit](#) within the South African Health Products Regulatory Authority's (SAHPRA's) Inspectorate and Regulatory Compliance (IRC) has published the **process flow for the Importation of Medical Products into the Republic of South Africa via the SAHPRA website.**

#### Ways to access this information

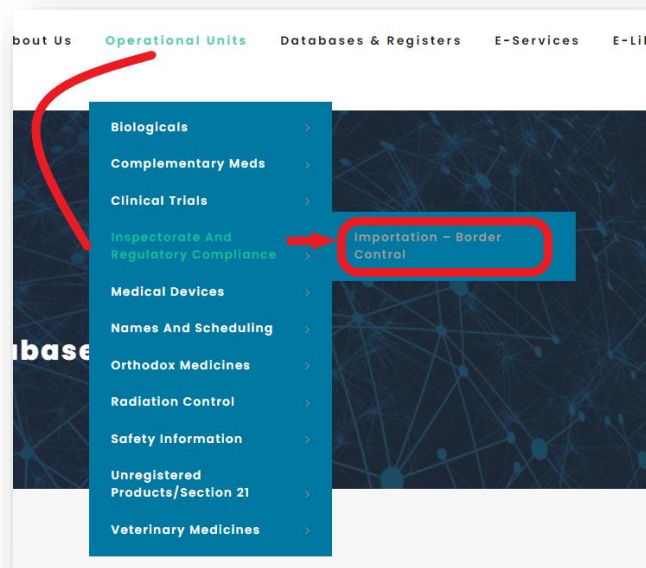

##### 1. From the SAHPRA homepage:

- Go to Operational Units from the main navigation
- Hover over and you will see Inspectorate and Regulatory Compliance
- Click on [Inspectorate and Regulatory Compliance](#) – you will now be on the landing page of IRC
- Then click on the Regulatory Compliance tab – scroll down to *see Importation of Medical Products – Border Control. Click on view page.*

## 2. From the SAHPRA home page (2nd option)

- Go to Operational Units from the main navigation
- Hover over and you will see Inspectorate and Regulatory Compliance
- When you then hover over Inspectorate and Regulatory Compliance, another drop-down will appear
- Click on Importation – Border Control

The direct link to the Importation of Medical Products – Border Control is here:
