### Missing Applications - Call to Industry

#### Document History

First Publication – Version 1	August 2022

#### INTRODUCTION

Business-As-Usual (BAU) is in the process of verifying submitted/received new medicine and variation applications. Industry is kindly requested to verify/confirm if all the applications that have been submitted to SAHPRA via BAU are being processed.

New medicine applications: Please provide a list of applications that were submitted to SAHPRA via BAU but do not appear on the Industry-facing tracker. The list and proof of submission should be sent to the dedicated mailbox [newmedicines@sahpra.org.za](mailto:newmedicines@sahpra.org.za), indicating “Missing Applications” in the subject line, by **30 September 2022**.

Variation applications: Please provide a list of applications that were submitted to SAHPRA via BAU between 01 January 2020 and 31 December 2021 that have not yet been processed. The list and proof of submission should be sent to the dedicated mailbox [variations@sahpra.org.za](mailto:variations@sahpra.org.za), indicating “Missing Applications” in the subject line, by **30 September 2022**.

This is a call for applications that were missed due to the commencement of Level 5 lockdown and the manual nature of the FTP upload at SAHPRA.
